

Daniel Okafor

Applied Scientist

Austin, TX | daniel.okafor@example.com | +1-555-0109

SUMMARY

Applied Scientist with 3+ years of experience specialising in Python, PyTorch, scikit-learn. Track record of delivering reliable, measurable results in production systems.

SKILLS

Python, PyTorch, scikit-learn, pandas, SQL, Machine Learning, AWS, Spark, Computer Vision, NLP

EDUCATION

Bachelor of Technology in Statistics, National Institute of Technology (2022)

EXPERIENCE

Data Scientist, Clearpath Energy (2023 - Present)

- Productionised Machine Learning pipelines serving 9M inferences per day.
- Led feature engineering with scikit-learn and NLP across 4 data sources.

PROJECTS

Churn Predictor: end-to-end PyTorch pipeline with automated retraining.

CERTIFICATIONS

- TensorFlow Developer Certificate
- AWS Certified Machine Learning - Specialty
