

Daniel Okafor

Applied Scientist

Seattle, WA | daniel.okafor@example.com | +1-555-0109

Professional Summary

Applied Scientist with 3+ years of experience specialising in Python, PyTorch, scikit-learn. Track record of delivering reliable, measurable results in production systems.

Technical Skills

- Python
- PyTorch
- scikit-learn
- pandas
- SQL
- Machine Learning
- Computer Vision
- AWS
- Airflow

Education

Ph.D. in Statistics, Lakeside State University (2022)

Work Experience

Machine Learning Engineer, AppWorks (2023 - Present)

- Reduced model training time 70% by optimising SQL workflows.
- Shipped an A/B-tested recommendation system using pandas and SQL.

Projects

Churn Predictor: end-to-end Machine Learning pipeline with automated retraining.

Resume Screener: NLP classifier built with scikit-learn and Airflow.

Certifications

- AWS Certified Machine Learning - Specialty
- TensorFlow Developer Certificate
